

The Parkway Athletic Department is pleased to announce that it has partnered with the NFHS to give our Panther fans the opportunity to livestream some of our athletic contests online. This capability will allow Panther fans who are unable to attend events in person, the opportunity to catch the action from wherever they are. Some of the schools that play Parkway also have this camera system, which will enable our fans to watch road contests at those participating schools as well.

Where do I go to start the livestream process?

- Visit www.nfhsnetwork.com to create your account

Are there associated costs?

- Yes. You can purchase an Annual Pass for \$69.99, billed at \$5.83 per month. Or you can purchase a Monthly Pass for \$10.99, which you can cancel any time.

Does the Parkway Athletic Department receive any revenue from the sale of passes?

- Yes. The Parkway Athletic Department receives a small portion of each Pass sale.

What devices can I use to watch events from?

- You can watch from virtually any device at any time.

Can you stream on multiple devices linked to one account at the same time?

- No. Unfortunately streaming can only be done on one device at a time, per each account.

How many cameras does the school own?

- A total of 4: HS Gym, JH/ELE Gym, Auditorium and Football Field.
